2nd Place

Competition: Region 6 Annual Micro Mouse Competition
Location: UCLA
Reward: \$500
Team: Super Duper Micro Mouse

4th Place

Competition: Region 6 Annual Micro Mouse Competition
Location: UCLA
Reward: "No Money"
Team: Senior Design

We in CSULA-IEEE compete with our Digital Cogs design team and our Senior Design Team. We compete at our Traditional Region 6 Micro Mouse Competition. We have also begun to compete in the UCSD California Micro Mouse Competition. Both of these competitions are held in the Spring of every year. Here at CSULA-IEEE we have been maintaining a Micro Mouse tradition that goes back to the 80's.
